Request for Support: Donation for Flood Relief in Northern Thailand

Dear Sir/Madam,

We hope this letter finds you well.

We would like to inform you that we have launched an emergency relief project in response to the recent flood disasters in Northern Thailand especially in Chiang Rai and Chiang Mai. In the past few weeks, both Chiang Rai and Chiang Mai have experienced two major floods, resulting in severe damage and leaving many people without basic means of livelihood.

To address this situation, THAIBIZ has initiated a relief project and we are currently raising funds to relieve this incident. THAIBIZ is also working in collaboration with the Embassy of Japan in Thailand. We humbly request your company's participation in this initiative by contributing to the relief efforts. The funds collected will be delivered to the UNHCR (United Nations High Commissioner for Refugees) and they will be used to provide relief supplies to the affected areas. Please refer to the attached project details. Your generous support will greatly contribute to the recovery efforts in Northern Thailand.

We sincerely ask for your kind consideration in this matter.

Sincerely yours,

Kantatorn Wannawasu
